

Elden Alumni 2008 Field Season

July 14 – 18, 2008

Welcome back to Elden Pueblo for a great work week !!

This is a week just for alumni.

Alumni are invited to join the staff for a work week to complete documentation and interpretation of test trenches that have been completed, but require final confirmation. This will involve review, corrections, and updates to previous excavation notes, photographs, plan drawings, and profiles, as well as verifying correlations within the overall site stratigraphic sequence. Registration is required and is limited to Elden Alumni who have completed Crew Member II certification. Program is free, although donations are always gratefully accepted.
